Investment Intelligence from Insider Trading

H. Nejat Seyhun

"Seyhun carefully proves that every major tested strategy to beat the market works best when insiders have bought their own company's stock. We have used several of the strategies suggested by Seyhun, and they work! Don't buy this wonderful book. We don't need the competition!"
— John D. Spears, Co-Manager, Tweedy, Browne American Value Fund and Tweedy, Browne Global Value Fund, and Co-Author, *What Has Worked in Investing*
256 pp., 24 illus. $29.95

The Future of the Electronic Marketplace

edited by Derek Leebaert

"[P]rovides great insight into the changes that consumers and producers face in the new economy." — Mark Warner, Managing Director, Columbia Capital Corporation
392 pp., 21 illus. $30

The Weightless World

Strategies for Managing the Digital Economy
Diane Coyle

"[M]ay be the best of several new books on the economic implications of the Internet—bright, modest, and well-informed. The author, a journalist, presents the views of a number of cutting-edge economists but maintains her own shrewd standpoint throughout."
— David Warsh, *The Boston Globe*
272 pp. $25

now in paperback

Reworking Authority

Leading and Following in the Post-Modern Organization
Larry Hirschhorn

"A bold examination of the social and psychological dilemmas we face in the postmodern organization. Hirschhorn has a wonderful way of grounding theory in insightful and provocative vignettes. Organizational consultants and aware managers will find this book a must read."
— John Seely Brown, Director, Xerox PARC
144 pp. $12.50 paper
